OF
LIFE

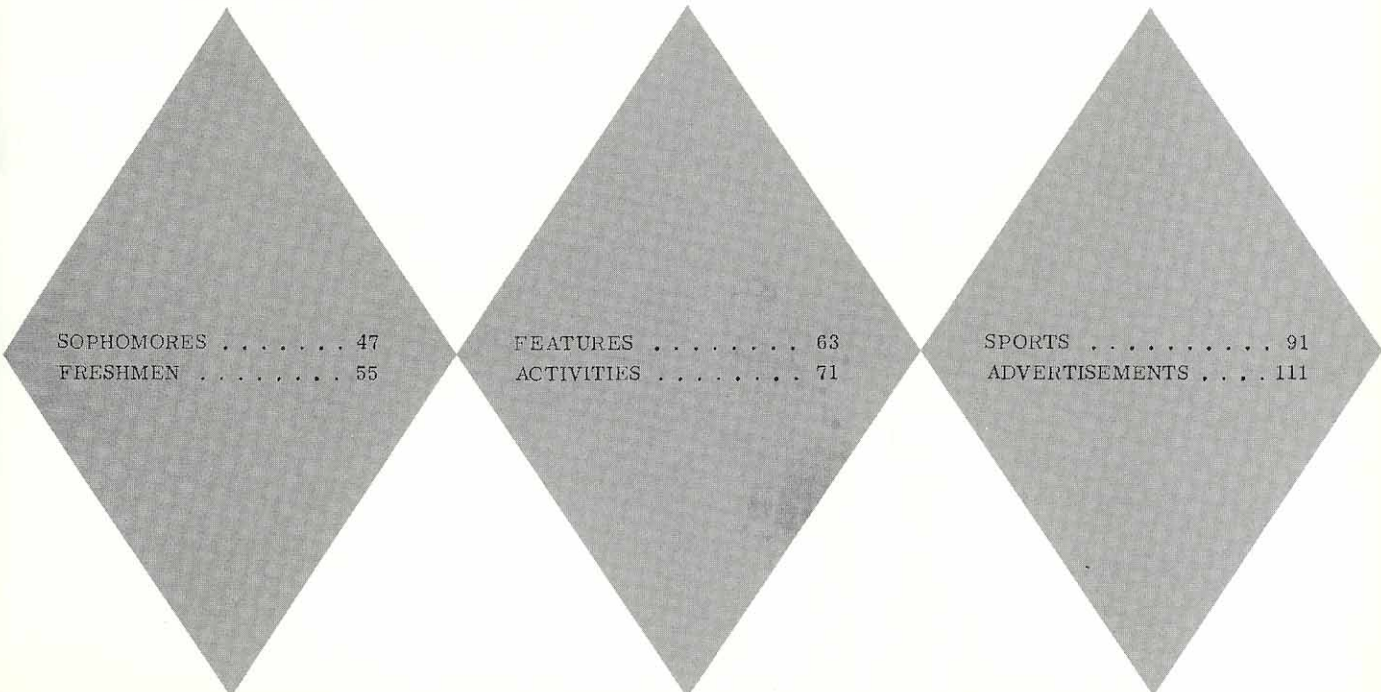

Events of this year have truly been diamonds in our lives--To some of us they may have seemed "in the rough" while to others they may have sparkled like the real gems. But, in any case, we shall always treasure them and be enriched by them.

"Show ME something a woman can't do", seems to be Barbara's attitude as she begins to work.

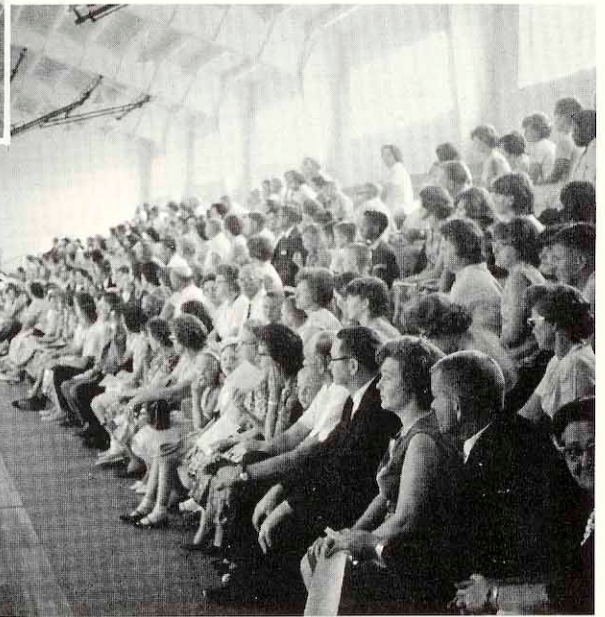

With the use of machines, man can do many things. This skill will help them prepare for the future.

Mrs. Allie Mae Stevens, Guidance Counselor, is always willing to help students at Riverside High School.

Opening day brings many talented speakers and . . .

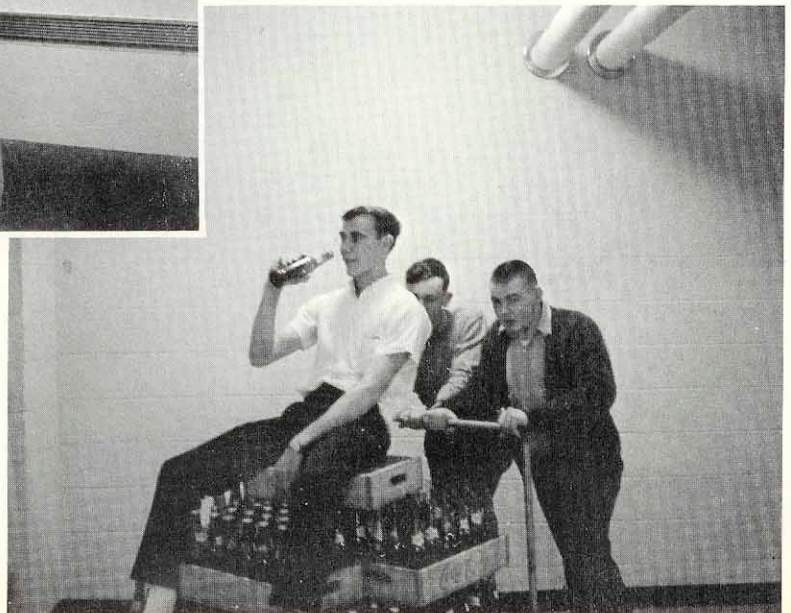

. . . many interested visitors and parents

The typical day begins as the "yellow dogs" roll in.

Students settle down for some hard studying and the day has started.

The first order of the day is catching up on the latest "gossip."

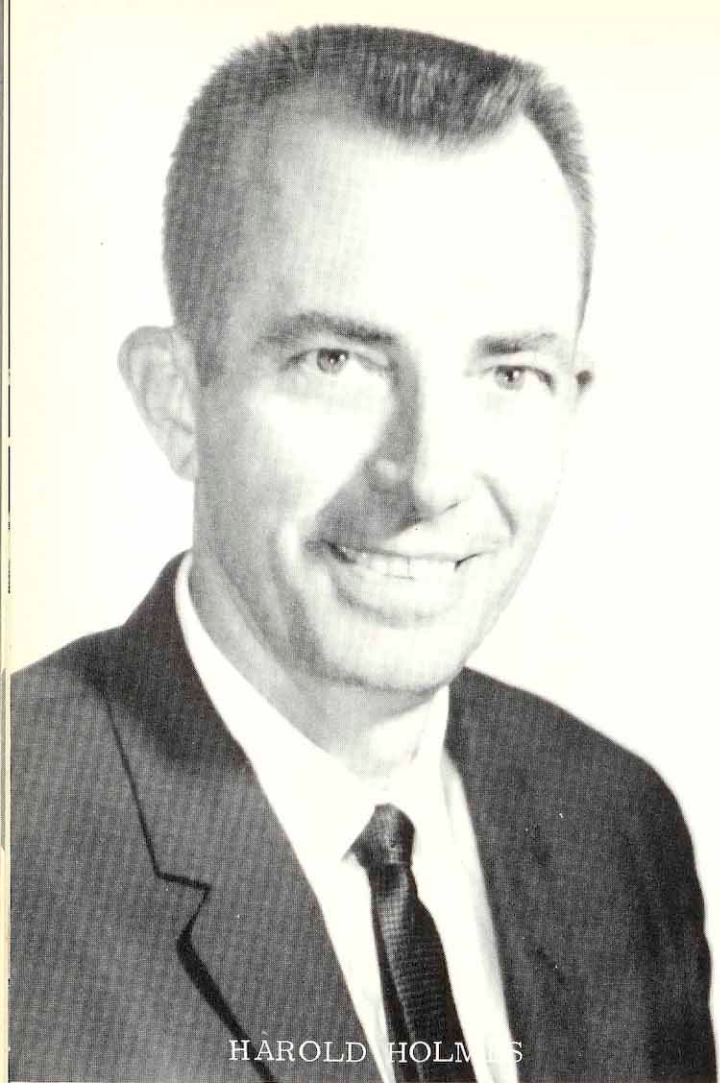

The Riverside Students enjoy the class breaks to show their friendliness to each other.

As the day ends, students again wait to board the buses to head home.

After a hard day of business - like procedure, Mr. Holmes leaves for the comforts of family life - -

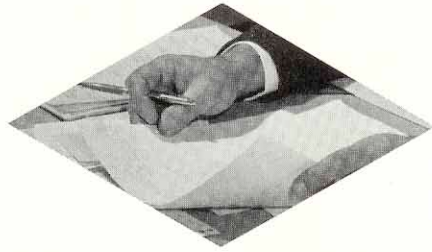

HAROLD HOLMES

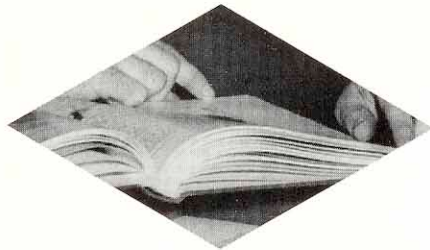

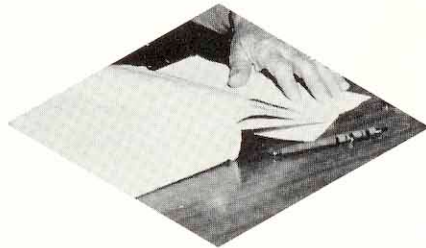

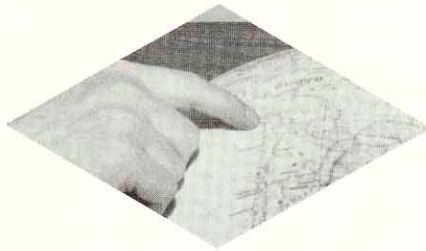

D E D I C A T I O N

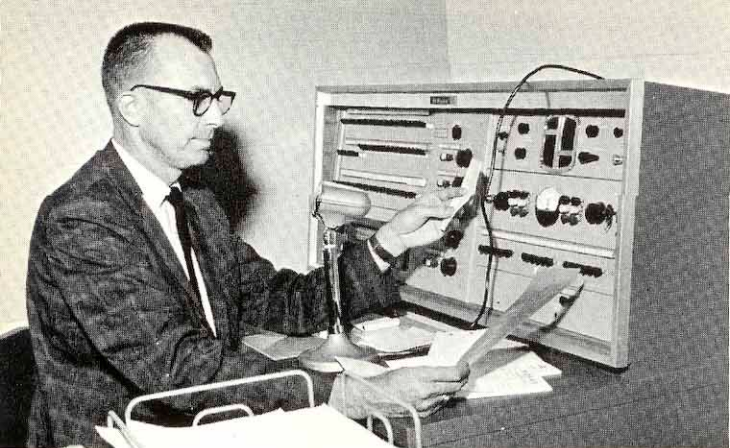

We dedicate this book with a feeling of deep affection for a wonderful person. It is also dedicated with a feeling of gratitude for the many kindnesses and favors done for us. In the years to come, we will remember him as a friend, principal, and counselor. He is always near when someone needs a helping hand, and his strength of character, quiet dignity, and understanding symbolize the ideals we have set for ourselves.

The dedication of the 1966 MEMORIES, which must represent a symbol of our gratitude, is a small token indeed with which to reward constant vigilance and calm and administrative activities. But we take this opportunity, however small, to express our sincere thanks to you, Mr. Harold Holmes, for being the guiding light by which our school functions.

ADMINISTRATION

Mr. Harold Holmes, principal, is shown here in his office giving *some important announcements over the intercom system*. He has worked long hard hours in planning our school curriculum and school activities.

Mrs. Allie Mae Stevens, guidance counselor, is one of the most valuable persons in school. Students who have questions concerning their school work are always welcome in her office.

Mrs. Carolyn Holmes, secretary and receptionist, serves as liaison person for the faculty and student body.

Mrs. Allie V. Johnson, librarian, is always willing to help students find material for their assignments.

MRS. HILDE WELCH

MRS. MARY COLWICK

MRS. ALICE REID

MRS. NELLIE TUTON

ENGLISH, SPEECH, JOURNALISM, AND FOREIGN LANGUAGE

Here at Riverside we are very proud of our English Department. The teachers are well-trained and well-qualified.

French is the only foreign language offered this year, but we hope to have more offered in the future.

The Speech Department teaches the art of speaking with clarity and reading with comprehension.

The Journalism Department speaks for itself in the quality newspaper and yearbook which the students publish.

MR. HUGH HOUST

MISS BETTY LOU GURLEY

MR. EVERETT MC ILLWAIN

DAIRY JUDGING TEAM

HOME ECONOMICS AND AGRICULTURE

The RHS Home Economics Department is teaching the girls many useful things about sewing, cooking and home management.

The RHS Agriculture Department is striving to help the boys become better educated than the farmers of the past. They learn many things about farm management.

MRS. PAULINE MALCOLM

MRS. NANCY YARBROW

MR. R. L. HANEY

MR. B. C. DAILEY

MR. HENRY EVANS

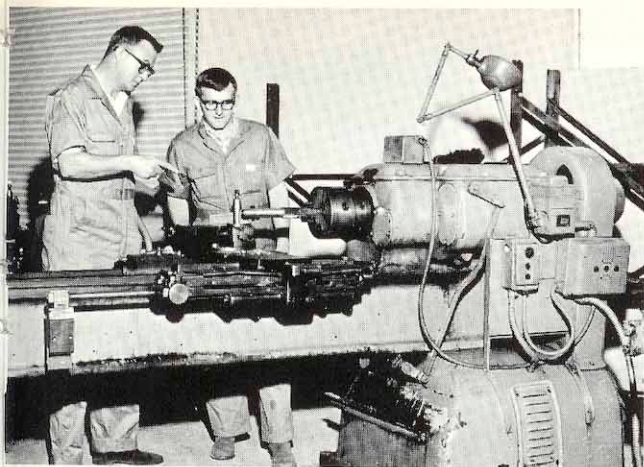

MRS. IRIS EVANS

The History Department of Riverside has two very competent instructors. Mr. Haney and Mr. Dailey both are noted for their college-type instruction which helps the students get an idea of just how it will be in the years to come. They are masters in their field.

Our Math Department is a husband and wife team. They are well known for not only their teaching abilities but for their school spirit as well. You never will catch them absent from any school activity.

MR. W. G. RUSSELL

T AND I

RHS has a superior Trades and Industries Department. Mr. Russell is a very competent instructor and the boys are grateful for his fine instruction.

MISS RUTH CARRINGTON

BUSINESS ADMINISTRATION

RHS has pride in its business department. Miss Carrington and Mrs. Taylor are capable instructors. We feel that this department is of great benefit in helping students make decisions about their future careers.

MRS. EDITH TAYLOR

MR. LEEBURN HARRIS

MUSIC DEPARTMENT

Mr. Harris, our band director at Riverside, is a special sort of fellow. He combined the two bands of Parsons and Decaturville and has done a wonderful job with them. He is never caught in a bad humor and has the admiration of all his students.

R.H.S. is proud of its music department and its music teacher.

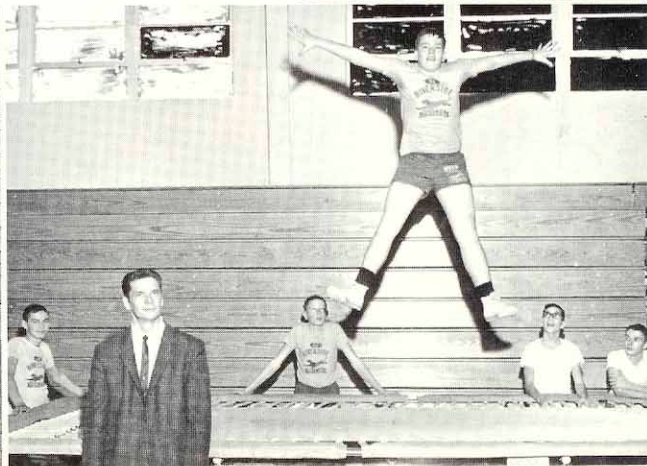

MR. FLOYD POWERS

P. E. DEPARTMENT

Our coaches try to give the students at Riverside every opportunity to get in better physical condition and stay that way. Here you see the trampoline in use as well as the exercise program being administered.

The staff of MEMORIES '66 would like to tip their hats to the first Senior Class of Riverside. You have, perhaps, found the year a bit harder than your underclassmen. You were, in your final year of high school, jerked from your traditional schools and brought together into a school which had no tradition and which had no background. You Seniors have helped form a background for Riverside and have given it tradition. Your task has not been one to envy but we say it has been a job well done, for you have laid a very sound foundation on which future classes may build. You have met in the melting pot and have taken things tremendously well. No amount of recognition could ever repay you for this deed. This small tribute is but a fraction of what you deserve so, as your lives progress and many great men and women emerge from the class of '66, remember Riverside and remember it with a thankful smile.

"BOO! I BET I SCARED YOU" is what Mike Mangum (12) a Savannah player seems to be saying as Claude Smith appears to go under his arm, but he is caught from behind. The score was a tie, 7-7.

SOUTH SIDE COURTESY

A South Side player bows to a Riverside Panther, Claude Smith (44), as the Panthers clawed their way to a 35-7 victory.
